JUNIOR Programme:

Baby steps- very young children aged 4–7

This is a two hour a day fun-filled programme for toddlers and young children taught entirely in English from day 1. This unique method builds on children's natural ability to absorb spoken language, through singing and playing,

repetitive hearing and positive reinforcement. We use a variety of methods which are suitable for young learners like making arts and crafts, playing games, carrying out simple experiments.

Young Learners- young children aged 8–12 (20-25 hours-lessons per week)

This course aims at improving student's understanding of written and spoken English and enhance student's ability in using the language. Students will feel more confident to speak and write in English by the end of the course (minimum 2 weeks and up to 6 weeks) and they can sit a Cambridge exam* and receive an official certificate should they want to.

*Cambridge English: Young Learners is a series of fun English language tests, aimed at children in primary and lower-secondary education. There are three activity-based tests – Starters, Movers and Flyers. This gives students a clear path to improve in English

English for Teens - teenagers aged 13–17

This course aims at helping students gain a better understanding of the English Language and study Grammar in depth. Students can sit the LSE internal exams and receive a certificate stating their level and grade or sit a Cambridge exam**.

** Cambridge English: Key (KET)

Cambridge English: Preliminary (PET)

Cambridge English: First (FCE)

IELTS: IELTS is an important test of academic English and is used by many universities around the world as an entry requirement.
